The Black Cat.

Good luck always comes with a black cat.
 This luck you may now have a "whack" at.

But remember, good friends,
 On GOOD goods MORE depends—
 In selling which, we have a "knack" at.

Twenty-two black upright pianos, but little used, for sale at mere nominal figures, to make room for our immense holiday stock. Here's your Good Luck.

 You've rightly guessed which is the best!
 So Emerson we'll purchase.

CHINCHILLA

In any form is attracting widespread attention. Its softness and natural beauty renders it particularly desirable for outside collars, trimming and collarettes.

Dealing only in Furs that we fully vouch for; employing only experienced seal cutters, we best appreciate how to make each dollar put in Furs return the most value.

Our Silk Stroke

Buy the Silks and you'll make as bright a stroke as we did when we bought them. If we had n't a good thing to begin with, it might be necessary to hoot and howl like the "cheap John" stores do when they get up a sale on wind.

Five prices on seven lots of Silks with style and strength to them. A truly big measure of money's worth.

The Glove Story

Subject: "Men's and Boys' Gloves."

CHAPTER III.

Gloves that you'd guess \$1.50, are selling at \$1.25.
 A very swell dinner, perfect fitting, all colors, sells at \$1.00.
 Fair enough as a wearer.
 One good look at the Reindeer Glove

plainly shows why it's pushing to the front so rapidly.

It's about the only comfortable, dressy glove that don't mind the weather. American tanning is so perfect that European makers are coming over here for Reindeer skins. Our prices on Reindeer Gloves: Fine \$1.00. Finer \$1.25. Finest \$1.50.

(To be continued.)

We are not talking Ladies' Gloves, but we're selling them just the same.

Do you love to look at fine China? Pause at the foot of the Basement stairway. There are two tables just dressed with a fresh importation of China Pieces and Sets that will do your eyes good, to say the least.

Women Wishing

to own the right Cape or Jacket for themselves and children, come straight here. It saves unnecessary shopping, prevents confused indecision sure to follow upon seeing too many garments, and does away with the fear of paying too much.
